Sputnik Case Study

Sputnik

Sister company to Ski Bartlett, Sputnik is an aspiring snowboard and outdoor retailer, whose aim is to become one of the household names in it's industry sector and achieve massive growth in their online advertising channels.

When Sputnik came to Everything Digital, there was very minimal social ads running and the Google Ads were hitting a clear growth ceiling.

Don't Take It From Us

“Working with Everything Digital to uncover the possibility of revenue being generated through our social channels has been a great experience. This on top of the clear increases we’ve seen on our Google Ads account has solidified our working relationship with Everything Digital.”

The support we’ve had from Everything Digital from the start has been amazing. We’re so happy working with the whole team over at Everything Digital!”
